### REMARKS

Please note that the above items should have been included in the original publication of the patent. However, the errors occurred during the publication process in the PTO. As evidence that the Assignee and Firm information should have been included in the original publication, enclosed herewith is a copy of the Issue Fee Transmittal Form (PTOL-85) and date-stamped postcard receipt both originally filed February 15, 2005. The Issue Fee Transmittal Form shows the Assignee's name and address correctly listed in section 3, "Assignee Name and Residence Data To Be Printed On the Patent", and the firm name correctly listed in section 2, "Name of a Single Firm".

Also enclosed herewith is a copy of the Notice of Recordation of Assignment Document, Form PTO-1595, and Assignment Document filed in parent application No. 09/413,326. Accordingly, a Certificate of Correction should issue at no expense to patentee. A form PTO-1050 accompanies this request.

Respectfully submitted,

Satoshi KONDO et al.
